

9000 SERIES CURTAINS

The 9000 Series Curtain range has been developed for the commercial market of every sector.

From basic accommodation through educational, healthcare and corporate institutions to the most luxury customised finishes for residential and blue-chip clients, the 9000 Series Curtain range is designed for every situation.

9000 Series Curtains comprise the face fabric, the lining of the curtain and then the heading system the curtain is hung from. With many thousand fabrics available across several heading options, the combinations are endless.

It encases 40 years of knowledge and experience in the curtain and furnishing industry and is more than a product – it is a custom service that brings the right product to the client.
